Terms and Conditions

Enrolment of students is conditional on the Canine Behaviour Centre receiving course fees from the student in the form of full payment. If, on receiving the course the student decides, for whatever reason, that he or she does not wish to proceed further, the fees (excluding post and packing) will be refunded provided that the Course is returned safely and in good condition within 10 days of the delivery date. The Certificate does not represent an official qualification since there is no official qualification in dog psychology. It is widely recognised though and confirms that the Canine Behaviour Centre believes that the student has reached a sufficiently high level of knowledge and understanding to allow him or her to practise professionally. The copyright of all printed materials supplied by the Canine Behaviour Centre remains that of the Canine Behaviour Centre and may not be reproduced other than for the personal use of students in their own homes, without the express permission of the copyright holder in writing.
